Explore Indonesia

Day 1: Arrival & Labuan Bajo

Upon arrival in Labuan Bajo, on the island of Flores (flights from Bali take around an hour and a half), you'll be greeted by the Alila Purnama's crew, who will escort you by car and speedboat to the phinisi ship, your home for the next three nights. The three-deck vessel is crafted almost identically to the original Bugis boats that were traditionally used by Indonesian seafarers. Inside, the cabins are sleek and kitted out with custom-made teak furniture. A full lunch will be prepared on board before you sail to the island of Komodo. Enjoy the afternoon at leisure by picnicking under palm trees, sunbathing on the white beach or hunting for sea glass. The more adventurous can strap on a snorkel and dive into the azure ocean surrounding the shallow reefs of Komodo National Park. Underwater, explore some of Asia's most treasured coral reefs and marine life, including tropical fish, dolphins, manta rays and stargazers.

*Overnight on board the **Alila Purnama**; breakfast, lunch and dinner included*

Day 2: Komodo Dragon Spotting

After breakfast on board, you'll enjoy a full-day day Komodo excursion. Trek through the rain forest to come face to face with the island's namesake dragon, which can grow up to 10 feet long. In the afternoon, lunch will be provided aboard the ship as it sails toward Pink Beach, famous for its blend of white and red coral sand. Relax on the beach, take a dip in the crystal clear waters, or join a guided dive of the reefs. This evening dine on the beach with a barbecue under the stars.

Overnight on board the Alila Purnama; breakfast, lunch and dinner included

Day 3: Swimming, Snorkeling and Diving, Gili Lawa Laut

Jump ship and spend an entire day swimming, snorkeling and diving off the sandy shores of Gili Lawa Laut, one of two islands off the northeastern tip of Komodo Island. Later in the afternoon the crew will lead a hike up to a local summit for bird's-eye views of Komodo and surrounding islands. Guests also have the option of being transported by speed boat to a private beach for some downtime. Dinner tonight will be served shoreside.

Day 4: Back to Bali

After breakfast you'll return to Labuan Bajo harbor and transfer to the airport for the flight back to Bali. Once there, you'll be driven in a private car to the Alila Villas Soori hotel. The rest of the day is yours to relax or explore the island's lightly traveled southwest coast. Located near the Tanah Lot Temple, the luxe beachfront hotel is surrounded by candlelit grounds and has a large infinity pool and patio overlooking the Indian Ocean. You'll stay in a One Bedroom Mountain Pool Villa, which comes with a private pool, garden and personal butler service.

Day 5 & 6: Beachfront Bliss in Bali

Spend the next two days lounging at the Alila Villas Soori, where you can relax on the volcanic sand beach, indulge in a treatment at the spa, and tuck into local delicacies at the on-site restaurant (dishes can also be delivered to each villa's outdoor dining nook, if you really want to kick back).
